Affairs of public schools in Delhi

*88. SHRIMATI JAYA BACHCHAN: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether it is a fact that public schools in Delhi or their teachers have created situations whereunder tuitions, extra coaching, group coaching etc., have become necessary for the students; and

(b) if so, the reasons therefor and the remedial steps Government have taken in this regard?

THE MINISTER OF HUMAN RESOURCE DEVELOPMENT (SHRI ARJUN SINGH): (a) and (b) No, Sir. However, as reported by the Central Board of Secondary Education (CBSE), cut-throat competition for performance and achievement, fuelled by parental expectations, tends to promote the option for private tuitions among students. Teachers who indulge in private tuition are liable to be punished under Rule-113 of the Delhi School Education Rules, 1973.
